

Annual Awards Program 2021-2022

Each year the California Park and Recreation Society District 13 Awards Committee calls for nominations to recognize those individuals and groups in District 13 who have provided outstanding leadership and service during the past year. Members are urged to nominate those individuals who are deserving and meet the established criteria for a District 13 award. Awards may be given to members of the Park & Recreation profession, community members and organizations who are interested in working toward the betterment of public and private, parks and recreation programs within District 13. Again, this year we have three awards to recognize your agency's efforts in programming and facilities. Please take time to nominate your outstanding efforts in these categories. All awards will be presented at CPRS District 13 Awards and Installation Presentation on Thursday, February 24, 2022
