

## D1 Recognition Spotlight

### Ross Valley Seniors

The Ross Valley Seniors lunch group is a joint venture between the Town of San Anselmo and the Town of Fairfax. The group meets on the first Thursday of every month and has met every month for the past 16 years! Even Covid didn't slow the group down as they switched to virtual meetings and continued to meet and chat and share stories. The steering committee even delivered fresh flowers, Christmas baskets, and Valentine's Day goodies to every member when we were unable to meet in person! The group gets together for a social hour and bocce ball, followed by a delicious lunch, and an always interesting guest speaker. Last month, the biggest month on record with 54 people, saw historians John Martini and Steve Haller present on the history, and the evolution of China Camp in Marin County.
