

The background of the entire page is a photograph of a beach. In the foreground, a large, orange-brown starfish is partially visible on the left side, resting on a wet, sandy rock. The ocean waves are breaking in the middle ground, creating white foam. The sky is a pale, hazy blue.

Board Message

Times are looking brighter as vaccine rollouts have begun in earnest and restrictions on normal activities begin to relax in the next few months as the pandemic subsides. We look forward to soon being able to return to in-person networking, educational, and social events with CPRS District 9 and Region 5 at large.

We are also excited as a board to look ahead to the upcoming virtual 2021 CPRS Conference. Be on the lookout for upcoming information relating to a virtual Region 5 Trivia Night Social at Conference this year. Shortly thereafter in April, we will be holding our annual Awards and Installation where we will note the exceptional work done by our members in this very challenging year. New and outgoing board members will also be recognized at this event. We hope to see you all there!
