

## CPRS District 1 Spotlight Program

### All City Dance

The City of American Canyon's Parks and Recreation Department is lucky to have Miss Lorrie as our Dance Instructor. She has taught what seems to be everyone who is interested in dance for the past 20+ years. From Hip hop to ballet to now cheer dance Miss Lorrie has done it all. Along with teaching her students Miss Lorrie constantly creates opportunities for her students by putting on seasonal showcases and performances. Her students have a variety of opportunities to show off their skills, such as in our basketball league halftime shows, parades, and events. Through the years Miss Lorrie has been able to create dance routines and costumes that fit perfectly with every performance. The City of American Canyon wishes to thank Miss Lorrie for all of her years of dedication and dance given to the community.
