MESSAGE FROM THE BOARD

Greetings CPRS District 12 members, fall is in the air! Take a moment to reflect the change happening around you and the beauty of the vibrant colors that our fall season of change gives to us. This fall when you attend the District 12 November workshop you will also see some changes, specifically our new board shirts and kokui nut leis. This change in board apparel is to send and represent the message and spirit of Aloha!

If you have ever been to the Hawaiian Islands, you may have experienced Aloha, possibly by someone greeting you by placing a homemade lei around your neck, or by just showing you a loving and caring attitude of service and respect. The word aloha is commonly used as a greeting, translated as "hello" or "goodbye." Aloha is more than just a greeting, it's a concept and a way of living, an exchange of positive energy – the very foundation of Hawaiian values. Its multiple meanings include love, affection, generosity, speaking from the heart, patience, and listening. "alo" means sharing, in the present. "ha" means breath, life energy. Furthermore, each letter has its own meaning as well.

As a board our new shirts and leis are our statement that we we are embracing this spirit as ambassadors of Aloha! We hope you will join us in this spirit, by celebrating it at it your work, home and of course the November workshop where Aloha attire is strongly encouraged! Together we will celebrate one another, share ideas, build relationships, and support each other in our profession and in the true spirit of Aloha!

DISTRICT 12 SCHOLARSHIPS

District 12 is now accepting 2022 Ray Butler Scholarship Applications!

Each year, CPRS District 12 awards scholarships to deserving students and professionals within the District's boundaries. The scholarships are presented in honor and memory of Ray Butler, retired professor and former chairman of the San Diego State University's Recreation Department. Scholarships are cash awards that are expected to be used to further education and training in the field of recreation and tourism.

There are two scholarship categories:

PAST PRESIDENT AWARD – (More than one scholarship may be awarded. 1st place award is \$1,000 and if more than one scholarship awarded 2nd place and additional awards will be between \$500 - \$1,000)

The Past President Scholarship Award. This scholarship was designed for a full-time or part-time college student working toward a career in the recreation or related field. The purpose of this award to assist students with educational expenses. Applicants are not required to have a current CPRS membership. However, special consideration will be given to applicants with a CPRS membership.

PARK & RECREATION PROFESSIONAL AWARD – (More than one scholarship may be awarded. 1st place award is \$500.00 and if more than one scholarship awarded 2nd place and additional awards will be between \$250 - \$500)

This category was designed to assist the working full-time and part-time employee in furthering his/her professional growth. The Professional Scholarship Award can be used for continuing education, professional trainings and the 2021 CPRS State Conference. Applicants must have a current CPRS membership.

Apply online at
<https://tinyurl.com/D12Scholarship2022>

Deadline to apply is
 January 7, 2022.

Do not miss out on this great opportunity to further your education and training!

BUCK MARTIN, REGIONAL DIRECTOR

LAMKE FAMILY STUDENT EXPERIENCE FUND

Lamke Family Student Experience Fund has been created at San Diego State University as of October 2021.

The creation of the fund was announced officially at Gene Lamke's retirement event and this fund will be used to give Payne School students industry and educational experiences! Due to the generosity that a man like Gene can inspire, the campaign has already raised over \$25,000!

LEADERSHIP SUMMIT

The 2021-2022 CPRS Leadership Summit was held on Thursday, September 9, 2021, in person at the Hyatt Regency Newport Beach. The Summit engaged leaders in attendance to brainstorm and connect ideas while generating an awareness of how we affect and influence others. It was great to be in-person and connect with so many amazing professionals. CPRS Headquarters personal talked about the upcoming year, encouraging members to recruit and reach out to them whenever they need assistance. There were presentations by each Region / Section, to include the A Team. We had fun celebrating the CPRS 75th Anniversary by taking photos with 75th Anniversary bling and participating in a time capsule activity.

Here is a highlight summary of some of the day's activities:

·Jedi Focus – Lead by Dr. Brandon Taylor, Assistant Professor, CSU Fresno Department of Recreation Administration. The JEDI Focus (Justice, Equity, Diversity, and Inclusion) began with an amazing and powerful discussion on differences that Dr. Brandon Taylor and CPRS State Board President Elect Frank Carson had about their view of the American flag that was initiated through social media. The conversation was about how they were able learn from each other by not letting difference of opinion and views keep them from communicating, which then allowed them to gain a better understanding of why each person felt the way they did. It was a model for how to get past differences and barriers through the use of effective communication to reach social acceptance of another person's views.

There was a major focus on Succession Leadership: Role Play, Board Succession, Member Succession, Value of Membership and its privileges, and Expanding Communication Beyond Membership Base

And not to mention, District 12 was able to show off our amazing new aloha board shirts. They were quite a hit in their debut!
