

**Virtual Surf 'N' Turf Camp and Aquatic Leadership
Workshop Speaker Information**

Thank you for your interest in speaking at CPRS District 1's VIRTUAL Surf 'N' Turf Camp and Aquatic Leadership Workshop.

Without people like you, this workshop would not be possible! This training provides an opportunity for part time staff members to learn the ins and outs of working in the recreation field. Our goal of Surf 'N' Turf is to offer fun, creative and interactive sessions that help staff develop their role as leaders in the community and help them to feel confident in their ability to create memorable experiences. Before we can add you to our list of speakers/sessions for these action packed days of learning and networking with other summer leaders we need to know a little more about your session.

Important information about the workshop:
