Board Message

Happy New Year District 9!

I want to start by thanking you for all you are doing to make this world a better place during these unprecedented times and always. Your passion, creativity, strength and courage are extraordinary and you should be so proud!

As a quick reminder...it's CPRS voting time! CPRS is here for us, the Boards are here for YOU and this is YOUR chance to decide who provides what YOU need. You should have received an email from John Glaesar this week with the link to vote and your log in information. It may have gone to your spam folder so check there as well. If you don't see it, you can reach out to the CPRS office directly for assistance. These candidates have dedicated their time to give back to the profession, so please take the time to vote, it will only take a few minutes but the impact will last much longer! Thanks again for all YOU do and happy voting through January 24th!
