

## CPRS District 1 Spotlight Program

The first annual Napa County Cornhole Cup was held on October 23rd at the CIA at COPIA in Napa, CA. This tournament featured league cornhole winners from the cities of Napa, Yountville, St. Helena, Calistoga, and American Canyon Parks and Recreation Departments. This event is a celebration of a collaborative effort of Napa County Parks and Recreation Departments, which was kick-started since the COVID-19 Pandemic. We are looking forward to hosting this event continually into the future and collaborating on county-wide programs and events.
